Varios Combi Pro2 Basic Set

Order Code: Y1500739

Combining subgingival and supragingival powder therapy with ultrasonic scaling for periodontal treatment, the Varios Combi Pro2 is easy to use and adapts to your preferred treatment style. Durable and effortless to maintain, it is your perfect 'daily driver' helping routine dental work run smoothly and efficiently – without interruptions.

RRP: $9,918 | NOW: $6,943

Prophy-Mate neo

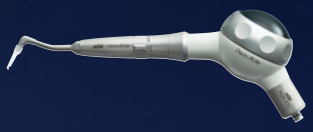
Order Code: Y1002654

Prophy-Mate neo combines ergonomic design with a lightweight, compact powder chamber for comfortable handling. Its 360° swivel connection ensures easy operation and efficient plaque and stain removal, with 60° and 80° nozzles available.

RRP: $1,619 | NOW: $1,133

Perio-Mate

Order Code: Y135029



Perio-Mate provides gentle, effective treatment of periodontal pockets and peri-implantitis. Its ultrafine water spray and glycine-based powder remove plaque biofilm in just 20 seconds, protecting delicate soft tissues and root surfaces.

RRP: $1,619 | NOW: $1,133

Surgic Pro2

The internationally acclaimed Surgic Pro surgical micromotor system has evolved into "Surgic Pro2". There are 3 progress points, in operation, safety and wireless extensibility. As well as further improving the basic performance of Surgic Pro, its supreme adaptability in connecting to various external devices offers improved safety, efficiency and operator comfort during treatment. Professionals depend on the reliability of their equipment on a daily basis. With Surgic Pro2 NSK have taken reliability to the next level.
